For Affordable Housing

## **ASSET MANAGER**

APAH is a non-profit affordable housing developer that works throughout the DC region. APAH's mission is to develop, preserve and own quality affordable places to live; to promote stability and opportunity for our residents; and, to advocate with the people and communities we serve. APAH is a mission driven, community minded and resident focused organization guided by seven core values: compassion, integrity, collaboration, innovation, excellence, impact and racial equity. APAH owns 18 communities and has developed over 2000 apartments, with an additional 1000+ apartments under construction or in development throughout the DC metro area.

We have an exciting opportunity for a mission minded Asset Manager to join our Team. The Asset Manager is tasked with ensuring the financial and physical well-being of a portion of the APAH portfolio. Your primary financial responsibilities include reviewing monthly financial and income statements for your assigned properties, reviewing annual property budgets and real estate assessments, and ensuring funder and LIHTC program compliance. This role also executes operational responsibilities, under the supervision of Senior Asset Manager, including pro-actively overseeing the property management team, reviewing capital needs, overseeing implementation of capital improvements, managing property insurance for the portfolio, and performing regular property inspections.

In addition to the regular oversight responsibilities this role is also tasked with:

- Researching cost-effective means to optimize revenues and reduce operating costs, maintenance, and real estate taxes
- Overseeing the work of the third-party property management firm to ensure consistent, efficient, and quality management at all properties
- Performing regular property and unit inspections to oversee the physical condition of the properties and plan for long term ownership and
- Troubleshooting facility challenges, supervising consultants, and planning for capital improvements.
- Incorporating resident feedback into operational oversight and decisions.

If you love the challenge of integrating sound financial management with asset oversight AND have experience in the construction or real estate industry we would love to talk to you.

The ideal candidate has:

- A BS/BA degree PLUS 3-5 years of experience in asset management, real estate development, property management, architecture, engineering and/or construction project management.
- Strong financial and analytical skills
- Ability to read and comprehend legal documents, including loan documents, contracts and tax credit partnership agreements.
- Strong working knowledge of construction, capital planning and systems management a plus.

- Extremely well-organized, with strong skills in time management. Self-starter, able to work independently and create own deadlines.

### **Salary and Benefits**
